announce the annual joint event

CENTRAL AND EASTERN EUROPE INVESTMENT OPPORTUNITIES WINTER EDITION

December 1, 2021
online

The event is a perfect opportunity for investors and analysts to learn more about the most prominent Slovenian and Croatian listed companies through plenary meetings. The main goal of the event is to facilitate the access of Slovenian and Croatian listed companies to regional and international investors and thus strengthen their visibility and liquidity. Slovenian and Croatian companies will be joined by Macedonian Stock Exchange listed companies.

The event is organised by
